Title: BATLIN'S CONTRACT

Author:

I have paid thee -- and
paid thee well -- to
fulfill the contract. Only
fools would pay a great
sum for an easy task...
And I am no fool.
Remember, I have chosen
thee because thou art
the best weapon available
to me at the moment.
Make no mistake, the
Avatar is not an easy
target and certainly the
most challenging thou hast
ever had. Dispose of the
Avatar quickly. Destroy
this note. No evidence
should be left behind
thee.
